Beverly High School

Beverly, Massachusetts

The old family scrapbook, an informal record of the experiences of generations, sits on many a personal bookshelf. Each of us enjoys reading about his dad's exploits in high school or college or about his aunt's trip to Europe. But . . .

. . . what of our sons and daughters, nieces and nephews? Will they be able to exclaim about our high school accomplishments? To make certain that they may, Beverlega 1959 is presented as a scrapbook, a record of our high school days. We hope that each member of this year's graduating class and his descendents will find some personal and happy memories among the pages of this book.

School 1959

DO YOU REMEMBER . . .

Zero score and three years ago, Beverly High was engulfed by one of its largest classes ever—the class of 1959.

After the first confusion of getting acquainted, our eager class settled down to make its mark, electing Anthony DiVincenzo, President; Leo Allen, Vice president; Frances DiNardo and Emily Witwicki, Secretaries; Martha Ossoff and Tobey Drohan, Treasurers. These officers organized our social contribution as Sophomores, the Saint Patrick's Day Dance, March 16, in the Rudkin Gym.

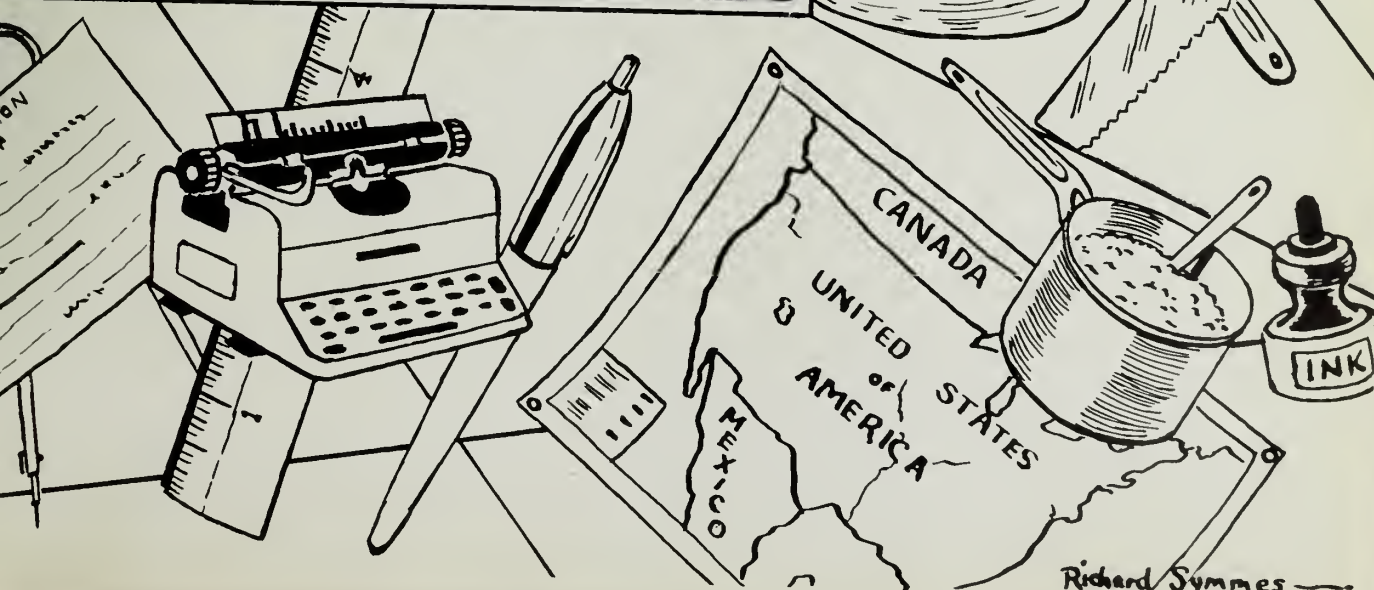

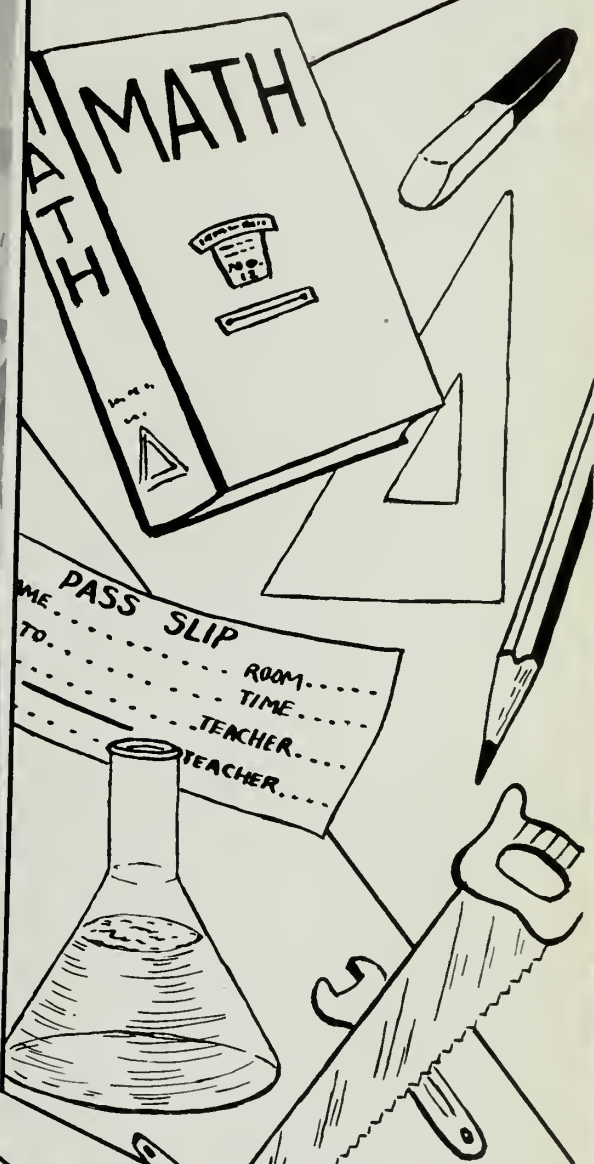

The summer of 1957 went by quickly, as all summers do, and the doors of BHS soon opened on our Junior year. Again we elected officers; Anthony DiVincenzo, President; William Hamor, Vice President; Frances DiNardo and Emily Witwicki, Secretaries; Andrew Steele and Nancy Bushby, Treasurers. During the year, we sponsored two dances, the Christmas Dance and the "Spring Spree," which greatly satisfied Mr. Page, our financial advisor.

Our football squad started off a successful sports year, winning eight, and losing only one, to Saugus. Jackie Reeve's "toe" saved the day at Watertown as BHS squeezed by 13-12. Thanksgivings "Star of the day" was Mike Tomeo, who was presented the McLean Trophy at the Thanksgiving Dance. For the first time in seventeen years our basketball team competed in the State Tech Tourney at Boston Garden. Our Spring track team was named Essex County Champions, after winding up with an undefeated season and smashing many established track records. Captains chosen for our senior year were: John Ryan and Michael Tomeo, Football; Bruce Atherton and John Reeve, Hockey; Peter Bagley, Cross Country; Joseph Hutchinson, Indoor Track; Andrew Steele, Spring Track; Barrie Bruce and James Baxter, Golf; Norman Yeo, Tennis; Gordon Reid, Baseball.

Pierre Patelin, *Ah Wilderness*, and *Medea* highlighted our Junior year Drama Night. Mary Lou Thurston won the best actress award for her role in *Ah Wilderness*; Allan Saunders gave a hilarious performance as "Tibald Lampkin" in *Pierre Patelin*, which was selected to represent Beverly High in the regional drama festival.

As our Junior year neared its end, we elected Maureen Carnevale our representative to the Spring Prom Court; James Gibbons and Tobey Drohan, President and Vice President of the Student Council; and Frances DiNardo, Martha Ossoff, Anthony DiVincenzo, and Theodore Doucette, Class Marshals. Chosen to represent BHS at Girls' and Boys' State were Geraldine Benjamin, Peter Bagley, and John Ryan. Other honors went to Linda Keene, winner of the College Club Award and Hurd Plaque, and Alan Nagel, winner of the Harvard Book Prize. By then our Junior year was over and we all worked to decorate the gym for the graduating seniors' reception, where as the Class of 1958 danced farewell to the music of the Serenaders, the Class of 1959 looked forward to inheriting the honor and obligations of the Senior Class and prepared to make the history which is recorded in BEVERLEGA 1959.

The English department at Beverly High basically provides students with a knowledge of essential communication skills, written and oral.

This year in the Spring a pilot course, given by the Council of Television and Humanities, will be tested on a Junior English class. This program, sponsored by the Ford Foundation, will be given to approximately eighty schools in the Boston area. It is interesting to note that Miss Elizabeth Whalen, former BHS English Department Head, is one of the test consultants.

Science and Mathematics

We of Beverly High School can well be proud of our Mathematics and Science Departments. Special recognition goes to our Science Department, for B.H.S. was one of three schools in this area chosen to present a new experimental course in Physics this year. This course, developed at Massachusetts Institute of Technology, is an entirely new concept in the teaching of physics, complete with special laboratory experiments, and slide and motion picture films.

Drama Night . . .

"Teahouse of the August Moon"

For the first time in the history of Drama Night, the class competition was eliminated and a full length play was presented. TEAHOUSE OF THE AUGUST MOON tells the story of an American soldier trying to rehabilitate Tobiki, Okinawa, a small native village. However, instead of schools the natives want a teahouse for Lotus Blossom. This develops into hilarious confusion, making fun for all.

LEADS BHS . . .

Beverly High was proud of its coaches and football squad this year. Led by our co-captains, John Ryan and Mike Tomeo, the Golden Warriors won eight games and tied one. The traditional Thanksgiving game with Salem proved to be a tremendous victory for our team. Mike Tomeo was again presented the MacLean Trophy this year for his splendid performance in the Salem game. Other high honors came when John Ryan and Mike Tomeo were singled out in the Boston papers as all-scholastic players. Many other players received honorable mention. In December the entire first string of the football squad participated in the annual Harry Agganis Memorial game at Manning Bowl. John Ryan was the recipient of the Thom McAn Trophy. Indeed, Beverly high has reason to be proud of this year's coaches and football team.

1958 SEASON!

Our "B" squad had a prosperous season, winning seven games and losing one.

FOOTBALL

Congratulations to Head Coach Charlie Walsh and to his able assistants Charlie Pelonzi, Robert O'Neill, and Norman Rand. The gradual development of the team from the Haverhill game to the Salem game was the reward of their coaching.

Congratulations, also, to the cheerleaders. The traditional Thanksgiving pep rally concluded with the hanging of the Salem witch. The rousing enthusiasm which they gave to the fans helped B.H.S.'s athletes fight on to victory.

Congratulations to all concerned—to coaches and team—for a superb fighting spirit, for a fine example of outstanding sportsmanship and team play, for a really great season.

AT TECH TOURNEY

Beverly 42 New Bedford Voke 40

The BHS Basketball team, for the second consecutive year, completed enough wins to be eligible for the Tech Tourney at Boston Garden. The team, under the leadership of Coach Taylor, showed much spirit and determination throughout the season, winning most of their games, even Salem, for the first time since 1950.

Several overtime games added to the interest and provided many exciting moments for the fans and team alike.

Kneeling: Carleton Young, David Low, Charlie Elliott, George Missins, Pete Tosi, Ralph Hoar, and Ken Darcy. *Standing:* Paul Crandall, Bob Feeley, Dick Robbins, Ken Liporto, Don Stetson, Nick Zarkades, Ken MacDonald, Dan Hannify, and Coach Robert O'Neill.

Girls' Basketball

The nucleus of the Varsity team is composed of Senior girls. Under the coaching of Miss Mackowsky, who left during this season to work in Watertown, the girls have worked hard to improve their playing skills, making for a better team. Between the leaving of Miss Mackowsky and the arrival of the new coach, Miss Coley, the team continued its efforts under the guidance of its Captain, Elaine Sangster. Although the season wasn't as successful as the team had hoped it would be, they realized that every season cannot be a winning one. They finished the year with a 5-4 record.

MISS MACKOWSKY

The members of the Varsity team are, *clockwise*: M. Ossoff, P. Keech, E. Meyer, T. Drohan, L. Parisella, D. Lowe, D. Henderson, E. Witwicki, P. Soucy, P. Corning, R. Rimari.

The Junior Varsity team, composed of sophomores and juniors, had a fairly successful season. The team, captained by JoAnne Forbes, worked hard to bring about a majority of wins.

First row: G. Maloney, Manager; M. Lemire, J. Fairbanks, K. MacQuarrie, J. Forbes, Captain; J. Morgan, J. Simon, P. White, P. Bailey. *Second row:* J. Rogers, D. Hubbard, P. Gentlemen, B. Dodge, C. Cormier, J. Santin, B. Aprons, G. Akerly, M. Whitmore.

Tobey Drohan put up the score another notch.

A hopeful basket for the J.V. Team.

A GOOD SAVE BY
Goalie George Pickering

The Hockey team this year had experienced skaters; and all the boys, Captained by Jack Reeve and Bruce Atherton, hustled every Saturday at the North Shore Sports Center and finished the season with three wins, one tie and ten losses. These boys worked at practice and did the best they could to win their games.

The 1958-59 hockey team deserves a great deal of credit for their record as this team is one of the few teams in the North Shore Hockey League without a rink at the High School.

SOPHOMORES

Class of '61 . . .

On September 3, 1958, we entered B.H.S. filled with awe by the high and mighty upperclassmen and mysterious things called work slips. In some miraculous way we survived the first few days; we found B.H.S. pretty tolerable and decided we liked it after all. It didn't take us long to get in the swing of things, and now we help the Seniors run the place, as befits the largest Sophomore class ever to enter B.H.S. So here are some pictures of us—the notorious, notable, noteworthy SOPHOMORES.

CLASS OFFICERS

Seated: Dorothy Douglas, *Secretary*; William Eastwood, *President*; Courtney Carleton, *Assistant Treasurer*. *Standing:* Carleton Young, *Vice President*; and Dianne Johnson, *Treasurer*.

SOPHOMORE EXECUTIVE COMMITTEE

First row: Pamela Linden, Patricia Babcock, Courtney Carleton, Judith Foss, Joanne Butler, Dorothy Douglas, Cynthia Coletti. *Second row:* Charles Standley, Jane Morgan, Dianne Johnson, William Eastwood, Timothy Desmond, William Russo. *Third row:* William Ottley, Thomas MacLachlan, Richard Greenwood, and Carleton Young.

For the first time, Sophomores have been chosen as members of the Beverlega staff. These five are: Courtney Carleton, Deborah Page, Dorothy Douglas, Thomas MacLachlan, and John Glovsky.

Popular? Our Sophomore girls are the best yet! Marianne Cuoco with a few Senior admirers.

JUNIOR CLASS OFFICERS

Joann Datillo, *Treasurer*;
Janice Tillson, *Secretary*;
Jeffrey Forbes, *President*;
Eleanor Meyer, *Assistant Treasurer*; Charles Elliott, *Vice President*.

With a surge of pride because we were entering high school for the first time, 420 of us burst through the portals into the disciplined interior of Beverly High School. We adjusted ourselves in the usual manner, and with a little teamwork on the part of the members of the class, we thrust ahead, setting records and accomplishing much. Scholastic success is ours; the honor roll bears testimony to this fact. We also play an active part in the sports lineup at High School. By no means, however, are social activities shunned by us; our dances rank with the best, and our place in high school society is only to be surpassed by the elite of the Senior class. We Juniors can only hope that our Senior year, 1960, will be as successful and enjoyable as our past two years have been.

JUNIOR EXECUTIVE BOARD

First row: Lawrence Murch, Rosemary Tagney, Gail Kirby, David Quinlan, and William Moody. *Second row:* William Lemire, Roseann Galluzzi. *Third row:* Evan Brodie, Anne Couhig. *Fourth row:* Jeffrey Forbes, Joanne Datillo, Alan Ryan.

The 1959 Beverly High Golf Team has been very successful this year, winning their ten meets and thus clinching the North Shore Golf League Championship. Consequently, they played in the State Championship in Framingham, June 18 and 19. Co-captain Barrie Bruce was the 1958 runner-up in the State Schoolboy Golf Championship. Many Congratulations go out to Coach Brown and his undefeated Golf Team.

The 1959 Beverly High Team can be justifiably called champions. Led by their captain, Norman Yeo, and their coach, Daniel MacInnis, the team regained the Boston Suburban League Championship. This year's team loses only three seniors, Norm Yeo, Bruce Cox, and Richard Burke. With Captain-elect Charles Elliott and the rest of the team, the 1960 Tennis Team will surely keep the Championship title for another year.

Spring Prom

Beverly High's 1959 Spring Prom, "One Enchanted Evening," sponsored by the Student Council, was held on April 11.

Highlights of the evening were the crowning of the queen, Sally Kelly, a member of the Senior class, and the Grand March led by Student Council President Jim Gibbons and Prom Decoration Chairman Brenda Birkemose.

Music for the dance was provided by the Alan Curtis Orchestra. The Rudkin gym was decorated in pastel shades with a bridge and tropical plants, making the Spring Prom "One Enchanted Evening" for all who attended.

With Us Today

June 11, 1959, was a big night for 330 seniors, who donned caps and gowns, received their diplomas, and prepared to face the world as adults.

Following a selection, Overture to "Tannhauser," by the High School Orchestra, the audience enjoyed a talk entitled "The Student Looks Ahead" by Wilbur J. Bender, Dean of Admission and Financial Aids at Harvard University. Then, following the Senior Chorus' rendition of "One God," the Class were presented their diplomas and concluded the Graduation Exercises with their Class Song.

CLASS SONG

Though we leave Beverly High School and travel along
Our separate paths of tomorrow,
The memories we'll keep we now treasure in song
And in knowledge eternally borrowed.

New friends we shall make but the old will remain
As reminders of days gladly spent,
With our lessons, athletics, our dances and plays,
Full of laughter and pure merriment.

We ourselves must decide what our future will be,
And must never be led astray,
For the hope of the world must depend on the young,
Thus, tomorrow begins with us today.

Lyrics: Martha Ossoff

Music: Alan Nagel

Senior Reception

Our Senior Reception, decorated with a Hawaiian theme, climaxed our Senior Week events. Several pre-reception parties given by members of the class added to the festivities. The dance, highlighted by the music of The Serenaders, included the grand march, receiving line, and punch bowl.

Much credit should be given to the Junior Class and Mrs. Joan Cunningham for the decorations and refreshments at our 1959 Senior Reception.

Eliza Brown

All of our best wishes for a rewarding retirement go out to Miss Brown, a fine business education teacher at Beverly High School for many years. Miss Brown has also worked diligently as business manager for the AEGIS and is appreciated by all for her efforts in that magazine's behalf. The BEVERLEGA staff wishes to congratulate Miss Brown on her fine years at Beverly High and wish her all the success in the world.

Daniel MacInnis

Mr. MacInnis, long time head of the Business Department, is also planning to retire this year. Not only a fine business education teacher, Mr. MacInnis has also been the coach of the tennis team for many years. Thus, Mr. MacInnis will be remembered always for his championship tennis teams and his fine contributions to the business department, by the Beverly High Faculty and students.

Helen Hett

Long head of the Mathematics Department at Beverly High School, Miss Helen Hett is retiring this year. Students and faculty will remember Miss Hett as a wonderful teacher and friend; one who has added many enjoyable moments to her classes and school functions. In behalf of the school, the BEVERLEGA staff wishes Miss Hett the best of luck and happiness in her retirement.
